Guardian of the Gulf: Sydney, Cape Breton, and the Atlantic Wars

But, for one final time on Monday, tens of thousands of Olympic volunteers donned their distinctive sportswear, smart but sensible trainers and rainproof jackets to witness the London victory parade through central London that had been billed in part as a thank you for their efforts during six glorious Olympic and Paralympic weeks.

War Power, Police Power

A more abstract and technology-agnostic perspective is needed to understand the involved design decisions and architectural trade-offs. So we are to serve at work obediently, lovingly and joyfully.

Point of No Return

Nel corso del '96, il management allora in carica aveva elaborato una strategia volta a espandersi in un'area di prodotto chiamata "middleware", un tipo di software creato per connettere differenti sistemi e apparecchiature. Though deductive arguments may be correct, their usefulness is lacking.
