I wanna be an academian. I initially met him in London to get a two-day course where he launched the fundamentals of theories of his class.

Agorion

Without the removal of external pressure, without democratization and demilitarization of Transnistria and

control of the state borders, it would be impossible to settle the conflict, to stop illegal trafficking of arms, drugs and human beings, and provide stability and security for that part of the European continent. The poet of the Rolandslied, drawing on the ethos of the crusades, in which German participants had for the first time been involved to a significant extent in Second Crusade adapts his source to promote an ideal of militia Dei, Christian knighthood, in which warfare, traditionally problematic for the church, is sanctioned and glorified.
