He is an author and a national and international speaker, seminar leader and coach. Our surgeons are experienced in both the specialized care of children and cutting-edge techniques in microsurgery and facial reanimation. Much has been written upon the subject, which in reality seems now to be an idle inquiry; and, as a dissertation upon this matter could afford neither instruction nor entertainment to the mere English reader, for whose use the following translation is principally intended, we shall dismiss the subject with observing, that what Quintilian has not told us, no modern scholar will ever, it is probable, have penetration enough to discover: and we may be also allowed to suppose that, whatever these peculiarities may have been, as that great critic has not

thought them worth pointing out, they cannot have been either very numerous, or of very material consequence.
