Ten Thousand Reasons: Book 1

The reality of US foreign policy has been dissected by a large range of analysts Gabriel Kolko, Michael Klare, etc but the grim realities of British foreign policy appear to have received comparatively little attention.

The Sacred Fire

Some newspapers gave support to the welfare movement but took a more measured position on the subject of vivisection: The New York Times was one such publication and significant in that it supported the establishment of the ASPCA, the first humane society in North America.
